

Xcel Energy On-Site Energy Assessment

Optional Customer Release Form

As a small business located in Northeast Denver, you have the option of participating in the FREE+ Energy and Water Efficiency Program. FREE+ provides free customized efficiency recommendations to reduce energy and water consumption as well as technical and financial support to implement cost-effective measures that will increase building and/or operations performance. These services will be provided after your on-site assessment through Xcel Energy. Xcel Energy will not benefit in any way from your decision whether or not to participate in the FREE+ program. If you would like to participate in the FREE+ program, please sign below.

As a participating customer in the Xcel Energy On-Site Energy Assessment Program, I authorize Xcel Energy to share necessary information about my facility with The Brendle Group for use in the FREE+ Program.
